

INQUIRY LEARNING

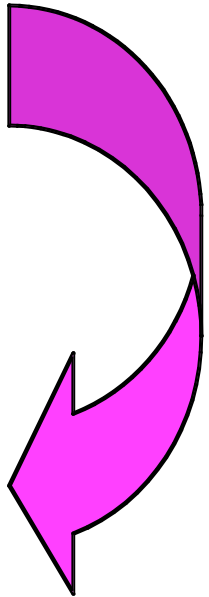

WONDERING:

- *What do I already know?
- *What do I want to know/find out?
- * What are my key questions/ supporting questions?
- *Establish search path

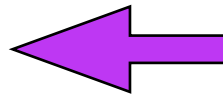

EXPLORING:

- * Identify key words
- * Skim and Scan through resources - know which resources are most useful
- * Take relevant notes
- * Triangulate information
- * Summarise information
- * Decide if information is fact or opinion
- * Record quotes
- * Record sources of information
- * Use interview techniques

DISCOVERY:

- *Review the purpose of the task - have I answered my questions?
- *Is the information correct?
- *Combine all the information together into structured points/paragraphs

SHARING:

- *Ensure the information answers the key questions
- *Choose a preferred presentation option
- *Prepare the presentation
- *Present the presentation
- *Will what I learnt create change?
- *How can I share what I learnt with a wider audience?
