

Nini

福娃妮妮
Nini

Every spring and summer, the children of Beijing have flown beautiful kites on the winds that blow through the capital. Among the kite designs, the golden-winged swallow is traditionally one of the most popular. Nini's figure is based on the swallow kite. Her golden wings symbolize the infinite sky and spread good luck as a blessing wherever she flies.

Swallow is also pronounced "yan" in Chinese, and Yanjing is what Beijing was called as an ancient capital city. Nini is as innocent and joyful as a swallow. She is strong in gymnastics and represents the green Olympic ring.
